Eyes Only for Gillem and Maddocks from Wedemeyer signed WARTAG (Paradise 39), reference CFB 00439, CFB 00979 and Paradise 33.

First Subject: Dossier on General Wedemeyer. Eye understand and greatly appreciate your effort in regard to the file maintained by SSU or other agency in China. Eye feel that your decision upon the matter should dictate continued steps to be followed. It would be advisable though not repeat/mandatory from my point of view to place in the War Department a copy of the file described in order that future public revelation of any instances therein cannot be presumed as a grand expose. I feel no repeat no guilt but do realize that, distorted or improperly presented, some of the data could be damaging.

Suggest that MOSCRIP be taken into full confidence to ascertain the truth of reports by your informant and if possible to obtain for record a copy of the file.

Colonel Quinn of SSU here is extremely anxious that any irregularities within SSU be brought to light and terminated. Nothing in the above is to be interpreted as a directive. I rely entirely upon your discretion. Should an investigation be made, a copy of the report will be forwarded to Colonel Quinn.

Second Subject: Directive to SSU. Colonel Quinn will communicate the essential contents of Paradise 33 to SSU China, to define the broad operational procedure.
